

Bible Bingo — 8 Boards + Caller Cards

Every board is different. Caller draws a word, tells the story in one sentence, players mark the square.

HOW TO PLAY

1. Give every player a board (they are all different — print one page per player).
2. Cut the caller cards on the last page and pull them from a bowl.
3. For each word, ask: where does this show up in the Bible? One sentence, then play on.
4. Five in a row wins. Center square is free, like grace.
